Questions About Autism Treatment?

Visit our website: www.asatonline.org

FOR PARENTS

Learn about autism, effective treatments, and overcoming the everyday challenges you or your child may experience.

FOR EDUCATORS

Stay informed on effective approaches for educating a student with autism.

FOR MEDICAL PROFESSIONALS

Learn how to best support families of individuals with autism across the lifespan from diagnosis to adulthood.

FOR THE MEDIA

Access resources to guide your writing about autism and its treatment. You will also find our nearly 200 letters written in response to autism news in the media.

NEWSLETTER

Join almost 13,000 subscribers and sign up for our free, monthly newsletter or review archived issues. www.asatonline.org/newsletter/

Our website content is available in 103 languages. Use this feature in the upper right hand corner of our homepage to select your preferred language.

ASAT is a not-for-profit organization dedicated to sharing accurate, science-based information about autism treatment.
