

**ASAT** Real Science, Real Hope

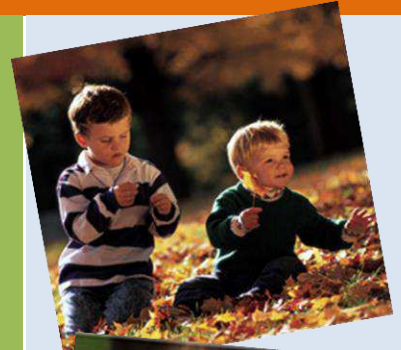

ASSOCIATION FOR SCIENCE IN AUTISM TREATMENT

## Celebrating Over 20 Years of Supporting Science-based Autism Treatment

Our free, online monthly publication, *Science in Autism Treatment*, features:

- Answers to frequently asked questions about treatment
- Reviews of resources to guide treatment decisions
- Summaries of specific autism treatments and their levels of scientific support
- Book reviews
- Letters highlighting accurate and inaccurate media articles about autism treatment
- Synopses of published research articles
- Interviews with experts and leaders in the field of autism
- Links to helpful resources and articles on our website
